

# EXPERT LAW FIRM

## Our Areas of Expertise:

- Infrastructure and Construction Arbitration
- Arbitration related litigations
- Other commercial Arbitrations
- International Commercial Arbitration
- High Court and Supreme Court Appeals

## WHO WE ARE

Law Senate is an expert law firm in the field of arbitration and related litigation with office & Chamber in Delhi. With an impeccable track record and a team of seasoned legal experts, we provide comprehensive and tailored legal solutions to clients across a diverse range of industries. Our firm's extensive experience in handling infrastructure and construction arbitration sets us apart, as we have successfully represented clients in complex cases involving highways, airports, power projects, tunnel projects, Oil & Gas and rail projects.

Arbitration is an integral part of our practice, and we have successfully navigated various types of contracts, including EPC contracts, concession agreements, joint venture contracts, supply contracts, service contracts and item rate contracts. Our deep understanding of the intricacies of these contracts enables us to provide effective representation and strategic advice to our clients.

At Law Senate, we have gained a strong reputation for handling both institutional arbitrations and ad hoc arbitrations seated in India, UAE, Hong Kong, and Singapore. Our expertise in navigating different arbitration forums and jurisdictions allows us to effectively advocate for our clients' interests in a globalized business environment.

What sets us apart is our commitment to delivering exceptional client service. We believe in building long-term relationships with our clients, understanding their unique needs, and providing them with practical and cost-effective legal solutions. Our team of dedicated professionals combines legal acumen with industry knowledge to offer insightful advice and efficient representation.

---

## Our Clients

Law Senate represents a diverse clientele that includes government entities, multinational corporations, infrastructure developers, contractors, and individuals. We are committed to providing each client with personalized attention, exceptional legal representation, and optimal results.

---

# Efficient Arbitration Services

## STRATEGICALLY NAVIGATING YOUR CASE TO SUCCESS

At Law Senate, we understand that arbitration is a vital means of resolving disputes in today's complex business environment. We are committed to providing our clients with systematic and efficient arbitration services that maximize their chances of a favourable outcome. With our expertise and strategic approach, we guide our clients through every stage of the arbitration process, ensuring their interests are vigorously advocated for and protected.

### 01.

#### Selection of Right Arbitrators:

Selecting the right arbitrators is crucial to the success of any arbitration. Our experienced team thoroughly assesses the case and identifies arbitrators with the appropriate expertise and industry knowledge. We consider factors such as their track record, qualifications, and impartiality to ensure that the panel is well-suited to understand the nuances of the dispute.

### 02.

#### Preparation of Statement of Claim:

Crafting a compelling and comprehensive statement of claim is vital to present our client's position effectively. Our legal experts meticulously analyze the facts, legal issues, and supporting evidence to develop a persuasive claim. We highlight the strengths of our client's case while addressing potential weaknesses, ensuring a well-rounded and persuasive argument.

### 03.

#### Computation of Damages:

Quantifying damages accurately is a critical aspect of arbitration. Our team of experts combines legal knowledge with financial acumen to meticulously calculate the damages suffered by our clients. We take into account various factors, including financial statements, industry standards, market trends, and expert opinions, to provide a robust and substantiated assessment of the losses incurred.

### 04.

#### Delay Analysis:

In complex infrastructure and construction arbitrations, delays often have significant financial implications. Our firm has extensive experience in conducting delay analysis to determine the causes and effects of project delays. We employ recognized methodologies and utilize industry experts to ascertain responsibility and quantify the impact of delays on our client's position.

## 05.

### Quantum Analysis:

Quantum analysis involves the assessment of costs, valuations, and monetary claims in arbitration. Our experts possess deep industry knowledge and employ meticulous analytical techniques to evaluate the financial aspects of the case. By conducting a thorough quantum analysis, we ensure that our client's claims are well-substantiated, accurately quantified, and aligned with applicable legal principles and industry standards.

## 06.

### Fact Witnesses:

The testimony of fact witnesses plays a crucial role in arbitration proceedings. We assist our clients in identifying and preparing fact witnesses who can provide credible and persuasive evidence. Our team conducts thorough interviews, gathers relevant information, and ensures that witnesses are well-prepared to present their testimony in a compelling manner.

## 07.

### Expert Witnesses:

In complex arbitration cases, expert witnesses are often called upon to provide specialized knowledge and opinions. We collaborate with leading industry experts to provide authoritative testimony and analysis that supports our client's position. Our extensive network of experts spans various fields, ensuring that we engage the most qualified and credible professionals to strengthen our client's case.

## 08.

### Cross-Examination, Arguments, and Written Submissions

We approach cross-examination, oral arguments, and written submissions with precision and thoroughness. Our legal team meticulously prepares for each stage, crafting persuasive arguments backed by solid legal research and a deep understanding of the case. We employ strategic techniques to effectively challenge the opposing party's case while presenting our client's position in a clear, concise, and persuasive manner.

# Comprehensive Arbitration-Related

## LITIGATION SERVICES

Our firm is dedicated to providing comprehensive and effective legal services to navigate the complex landscape of arbitration-related disputes. At Law Senate, we understand the intricacies of arbitration-related litigation and have a proven track record of success in representing our clients' interests before various courts. Our diligent and strategic approach ensures that we provide effective legal representation, combining a deep understanding of arbitration law with meticulous preparation and persuasive advocacy.

We offer a wide range of litigation services, including applications for the appointment of arbitrators, seeking interim orders, enforcement of arbitration awards, and challenging arbitration awards. Our experienced team has the expertise to handle these matters before various high courts, other courts, and even the Supreme Court of India.

### 01.

#### Application for Appointment of Arbitrator under Section 11

The appointment of a qualified and impartial arbitrator is critical to ensuring a fair arbitration process. Our firm assists clients in filing applications under Section 11 of the Arbitration and Conciliation Act, seeking the appointment of arbitrators. We meticulously prepare and present the necessary documentation, highlighting the grounds for the appointment and advocating for the selection of an arbitrator who will safeguard our client's interests.

### 02.

#### Applications Seeking Interim Orders under Section 9

In arbitration proceedings, it is often necessary to seek interim measures to preserve rights, prevent irreparable harm, or maintain the status quo. We handle applications under Section 9 of the Arbitration and Conciliation Act, presenting compelling arguments and evidence to support our client's request for interim relief. Our experienced litigators effectively advocate for the grant of appropriate interim orders to protect our client's interests during the course of arbitration.

### 03.

#### Application before Emergency Arbitrator for Interim Orders

In urgent situations where immediate relief is required before the constitution of an arbitral tribunal, our firm assists clients in filing applications before emergency arbitrators. We understand the time-sensitive nature of such matters and work diligently to present a strong case for the granting of interim orders that are crucial to safeguarding our client's rights and interests.

### 04.

#### Enforcement of Arbitration Awards

Arbitration awards are meant to provide a final and binding resolution to disputes. Our firm is well-versed in enforcing arbitration awards and ensuring that our clients receive the benefits they are entitled to. We handle the necessary legal procedures, including filing applications for enforcement before the appropriate courts, and employ strategic arguments to ensure that arbitration awards are effectively enforced.

### 05.

#### Challenging Arbitration Awards under Section 34

In certain instances, it becomes necessary to challenge an arbitration award that is perceived to be erroneous, illegal, or contrary to public policy. Our skilled litigators analyze the award, identify grounds for challenge, and file applications under Section 34 of the Arbitration and Conciliation Act. We meticulously prepare the necessary legal arguments and employ our advocacy skills to challenge the award on behalf of our clients.

### 06.

#### Appeal to the Supreme Court of India

As a full-service law firm, we are equipped to handle appeals before the Supreme Court of India, the highest judicial authority in the country. It is important to note that Mr S Ravi Shankar & Mrs. Yamunah Nachiar, Partners of the firm are qualified Advocates on Record in the Supreme Court of India. Should a matter require further adjudication and an appeal to the apex court, our experienced team is prepared to present persuasive arguments and navigate the complexities of the appellate process.

# WHY WE STAND APART IN ARBITRATION

Experience and expertise you can rely on...

## Specialized Expertise

Our firm's core focus on arbitration and related litigation ensures that we have an in-depth understanding of this complex area of law for the past 15 years.

## Extensive Experience

With a wealth of experience handling high-stakes arbitrations in various industries, we are equipped to tackle the most challenging cases.

## Global Reach

Our firm has successfully represented clients in arbitrations seated in India, UAE, Hong Kong, and Singapore, offering a truly international perspective.

## Client-Centric Approach

We prioritize our clients' goals and work closely with them to develop tailored strategies that meet their specific needs.

## Proven Track Record

Our track record of success and satisfied clients speaks volumes about our commitment to excellence.

# Meet Our Leading Arbitration Lawyers

Our team of accomplished arbitration lawyers is committed to delivering fair, effective, and timely dispute resolution. With extensive experience across a wide range of industries and deep expertise in both domestic and international arbitration laws, they offer strategic guidance and representation at every stage of the process. Known for their integrity, precision, and unwavering professionalism, our lawyers help clients navigate even the most complex disputes with clarity and confidence.

|                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                 |

With an impressive standing of 30 years at the bar, Vijey Devraj brings a wealth of knowledge and expertise to his practice, particularly in handling construction and infrastructure arbitration-related litigations.

With his extensive experience and deep understanding of the legal landscape, Vijey Devraj has successfully represented clients in a wide range of construction and infrastructure arbitration-related litigations. His strategic approach and comprehensive knowledge of the intricacies involved in these matters have consistently led to favorable outcomes for his clients.

As a seasoned litigator, Vijey Devraj's expertise extends to all aspects of arbitration-related litigation before the courts. He has effectively handled cases involving construction disputes, infrastructure-related conflicts, and other complex legal issues arising in the arbitration context. Whether it's appointment of arbitrators, interim protection, injunctions, challenges to arbitral awards, or enforcement of awards, Vijey Devraj's thorough understanding of the legal framework and his persuasive advocacy skills have proven invaluable to his clients.

Vijey Devraj's extensive experience and expertise in arbitration-related litigation make him a trusted advisor and advocate for clients seeking effective resolution of their disputes. His dedication to providing comprehensive legal representation, combined with his deep knowledge of construction and infrastructure matters, ensures that clients receive top-notch guidance and support throughout the litigation process.

## Ruhini Dey

Trusted arbitration counsel with a modern legal approach

Ruhini Dey, a Partner at Law Senate, is a dynamic legal professional specializing in arbitration and related litigation. She is a qualified Advocate on Record in the Supreme Court of India. With a strong educational foundation and 10 years of experience, Ruhini Dey brings a fresh perspective and a dedicated approach to her practice.

Ruhini Dey graduated from the esteemed Campus Law Centre, Faculty of Law, Delhi University, and is registered with the Bar Council of Delhi. Her educational background, coupled with her passion for the law, enables her to provide exceptional legal representation and strategic guidance to her clients.

With a primary focus on arbitration and related litigation, Ruhini Dey has developed a comprehensive understanding of the intricacies involved in resolving complex disputes. Her expertise extends to a wide range of areas, including commercial arbitration, construction and infrastructure disputes, and contractual conflicts. Whether it's drafting legal pleadings, conducting legal research, or representing clients in court, Ruhini Dey is known for her meticulous attention to detail and her ability to craft persuasive legal arguments.

Throughout her career, Ruhini Dey has successfully represented clients in various arbitration and litigation matters. Her practical approach to problem-solving, combined with her strong advocacy skills, has resulted in favorable outcomes for her clients. She is adept at navigating through the intricacies of the Indian legal system and has appeared before various courts, including high courts, in arbitration-related litigation.

Ruhini Dey's commitment to staying abreast of the latest developments in arbitration and litigation is evident through her active participation in seminars, workshops, and professional associations. She understands the importance of keeping up with the evolving legal landscape to provide her clients with the most effective representation possible.

## Meghna Mukherjee

Rising Talent in arbitration and litigation

Meghna Mukherjee, a Partner at Law Senate, is a highly skilled legal professional specializing in arbitration-related litigation. With her registration at the Bar Council of Delhi and a wealth of experience, Meghna Mukherjee brings a comprehensive understanding of the intricacies involved in resolving complex disputes.

As an expert in arbitration-related litigation, Meghna Mukherjee has successfully represented clients in a wide range of cases. Her expertise extends to various areas, including commercial arbitration, construction and infrastructure disputes, contractual conflicts, and more. She possesses a keen eye for detail, enabling her to draft effective legal pleadings and present persuasive arguments in court.

With her strong advocacy skills and in-depth knowledge of arbitration law, Meghna Mukherjee is known for her ability to navigate through the complexities of the legal system. She has appeared before various courts, including high courts, consistently delivering outstanding representation for her clients in arbitration-related litigation matters.

As a Partner at Law Senate, Meghna Mukherjee contributes to the firm's reputation for excellence and client satisfaction. Her unwavering dedication to providing top-tier legal services, coupled with her expertise in arbitration-related litigation, makes her a trusted advisor and advocate for clients seeking resolution in their disputes.

## B. Raaja Thalopathy

### Emerging professional in Arbitration and Tax Law

B. Raaja Thalopathy is a dynamic and dedicated legal professional, currently practicing as an enrolled advocate with the Madras Bar Association. He is presently based in Delhi, working as a Legal Associate at the Arbitration Law Firm, Law Senate.

He is a B.Com. LL.B (Hons.) graduate from SRM University, where he developed a strong foundation in business, commercial, and legal principles. His primary areas of practice include Tax Law, Commercial Law, and Arbitration, with a particular focus on complex commercial disputes and taxation-related arbitration proceedings.

Demonstrating a strong academic inclination, he further pursued an LL.M. in Tax Law from the prestigious O. P. Jindal Global University. His specialized expertise spans Transfer Pricing, International Taxation, and the nuances of OECD BEPS (Base Erosion and Profit Shifting) frameworks. This academic background enables him to offer in-depth advisory services on cross-border taxation issues and multinational commercial disputes.

His growing acumen in Arbitration—particularly involving commercial and tax law elements—has made him a promising practitioner in the field. He regularly assists in handling complex arbitration matters, ensuring thorough legal research, strategic case analysis, and client-centric advisory.

With his interdisciplinary understanding of commerce and law, he brings a unique analytical perspective to every case he undertakes, embodying the professionalism and excellence that Law Senate is known for.

## Swastik Pattanayak

### Rising Arbitration Professional with International Sports Law Experience

Swastik Pattanayak is an Associate Lawyer (Arbitration) with a unique international perspective and specialized expertise in Sports Arbitration. He is a B.B.A. LL.B. (Hons.) graduate from Jindal Global Law School, New Delhi. Swastik further pursued his passion for dispute resolution by completing an LL.M in International Sports Law from ISDE, Madrid, Spain in 2024. He successfully cleared the All India Bar Examination in 2025, earning his qualification to practice in India.

As part of his LL.M program, Swastik interned with Franklin Advogados, a leading law firm in Rio de Janeiro, Brazil. During this tenure, he was involved in high-profile Sports Arbitration matters before globally recognized forums such as:

- Court of Arbitration for Sport (CAS), Switzerland
- Sports Resolution, UK
- World Athletics, Monaco
- CAS Ad Hoc Committee, Paris Olympics 2024
- FIVB Anti-Doping Tribunal, Switzerland
- UCI Anti-Doping Tribunal, Switzerland

Swastik brings this extensive international exposure and deep understanding of arbitration procedures to his current role. His academic rigor, cross-border training, and hands-on experience with some of the most prestigious sports arbitration institutions globally, make him a valuable addition to the firm's arbitration practice.

Dedicated, diligent, and detail-oriented, Swastik is committed to contributing to complex dispute resolution matters, particularly those intersecting with sports, contracts, and international arbitration framework.

## **Ramasubramanian, B.E., LL.B.**

### Expert Witness | Claims Consultant Construction Arbitration Professional

Ram is a seasoned construction arbitration professional with over 20 years of international experience across the construction industry, with a particular focus on the Middle East and India. He is a Fellow of the Chartered Institute of Arbitrators (CI Arb), UK.

As a recognized claims expert, Ram provides specialized services in contract drafting and review, forensic delay analysis, claims advisory, and risk management across a wide range of infrastructure, commercial, and oil & gas sector disputes both in the Middle East and India. His comprehensive and strategic approach to dispute resolution has made him a sought-after expert witness in arbitration proceedings.

Ramasubramanian serves as the Lead Consultant for construction arbitration and dispute resolution, specializing in complex, multi-sector disputes involving infrastructure, oil and gas, and commercial projects. He has extensive experience in forensic delay and quantum analysis, enabling a thorough evaluation of liquidated and actual damages arising from project delays. As an expert witness and in expert determination proceedings, Ram brings in-depth technical knowledge and strategic insight to arbitration matters. His expertise extends to FIDIC contract dispute resolution, including serving as a Dispute Resolution Board (DRB) Panel Member. In addition to his consultancy work, he is a frequent panel speaker and professional trainer, sharing his expertise on construction law, claims management, and arbitration processes.

Ramasubramanian is internationally recognized and empanelled as an Arbitrator and Mediator with prestigious institutions. He is listed with the Belgium International Arbitration Centre (CEPANI) and with the Vienna International Arbitration Centre (VIAC). He also serves as a Neutral with the WIPO Arbitration and Mediation Centre in Geneva. Further, he is empanelled as an Arbitrator with the AALCO Hong Kong Regional Arbitration Centre and with the Court of International Commercial Arbitration in Romania. His global affiliations reflect his expertise and standing in the field of international dispute resolution.

## **Manikandan Murugesan – B.TECH, MRICS, MCIARB**

### Independent Expert Witness Construction Arbitration Specialist

Manikandan Murugesan brings over two decades of international experience in Contracts and Claims Management within the construction industry. With a strong technical foundation and vast exposure to complex projects, he has transitioned into the field of dispute resolution and construction arbitration, working alongside the expert team at Adroit Claims and ADR Consultants. Manikandan has rendered his services as an Independent Expert Witness and Claims Analyst across a wide range of construction arbitration cases, providing specialized expertise in technical evaluation, quantum assessment, and forensic delay analysis.

As a Certified Forensic Delay Analyst with expertise in FIDIC-based dispute resolution, Manikandan is well-versed in managing and analyzing intricate construction claims. His deep understanding of construction contracts and industry standards enables him to provide credible and robust expert testimony in both domestic and international arbitration proceedings. Manikandan holds distinguished memberships with leading global institutions. He is a member of the Chartered Institute of Arbitrators, UK (MCI Arb) and a member of the Royal Institution of Chartered Surveyors, UK (MRICS). He is also a Certified Expert Witness accredited by RICS, UK, and the Oman Commercial Arbitration Centre. Additionally, he is a member of the Institute of Construction Claim Practitioners (MICCP), the Asian Institute of Alternative Dispute Resolution (MAIADR), the Chartered Institute of Building, UK (CIOB), and the Quantity Surveyors International (MQSi).

## **Madhumithra Natarajan, BBA LL.B.**

Arbitration Professional | Construction and Commercial Dispute Specialist

Madhumithra Natarajan is an Arbitration Professional specializing in Commercial and Construction Arbitration, Mediation, and Contracts Management. She practices in both domestic and international forums, providing tailored dispute resolution services across a range of sectors. She is affiliated with the Chartered Institute of Arbitrators (CI Arb), UK, the World Intellectual Property Organization (WIPO), the Institute of Company Secretaries of India (ICSI), and the Indian Institute of Corporate Affairs (IICA), an initiative by the Ministry of Corporate Affairs, Government of India.

Demonstrating her commitment to advancing access to alternative dispute resolution mechanisms, Madhumithra serves as the Managing Trustee of the Bureau for the Empowerment of Arbitration and Mediation (BEAM ADR), a pro bono organization dedicated to promoting arbitration and mediation.

At Adroit Claims and ADR Consultants (India and Oman) (Website), Madhumithra has built a progressive career from Associate to Partner – ADR (2018–Present). She has over five years of practicing experience in handling both domestic and international ADR cases. Her work includes assisting in the compilation of delay and Prolongation Claim Reports, drafting and reviewing Counter Claim Reports for arbitration proceedings, and managing comprehensive case documentation across construction, infrastructure, and commercial disputes.

She has been actively involved in drafting chronologies of events, preparing and reviewing claims, counterclaims, petitions, and legal notices, as well as facilitating amicable settlements between disputing parties. Madhumithra also provides critical support in drafting and managing commercial contracts, offering claims resolution services, and managing key commercial accounts.

## **Professional Capability of our Associate Lawyers**

Law Senate takes pride in its team of 10 highly capable and dedicated associate lawyers who play a crucial role in assisting the partners in arbitration matters. With an average experience of about 5 years, our associate lawyers bring a fresh perspective, strong academic backgrounds, and a passion for the law to their practice.

All our associate lawyers hail from leading law schools in India, which ensures that they possess a solid foundation in legal principles and a comprehensive understanding of the intricacies of arbitration law. Their rigorous legal education equips them with the necessary skills to handle complex legal issues and provide effective assistance to our clients.

Our associate lawyers are well-versed in the latest developments in arbitration law and stay updated through continuous professional development. This commitment to staying abreast of legal developments allows them to provide our clients with the most effective and up-to-date legal strategies.

With their sharp analytical skills, attention to detail, and strong communication abilities, our associate lawyers are equipped to handle the challenges presented by complex arbitration cases. They work closely with our partners to ensure that our clients receive comprehensive and personalized legal representation.

Law Senate's team of associate lawyers is dedicated to delivering exceptional service and achieving the best possible outcomes for our clients. Their professionalism, dedication, and commitment to excellence are instrumental in supporting the firm's reputation as a trusted provider of arbitration services.
